## WHO SHOULD APPLY?

1. If you were born into the industry (*mother/ dad/ sibling/ cousin/ aunt/ uncle*) you need apprenticeship not traditional
2. You have gifted hands and just need to be taught the professional and correct way to service patrons. How to use chemical effectively, hair color theory, keeping patrons safe, state board etc....
3. You want to work in salon while you are in school
4. You want to be a shampoo girl or guy / assistant for a short period of time
5. Want to jump start a career by learning the business, building clientele, making money, and learning simultaneously.
6. If you let your license expire for several years and there is no recourse but you're are still working in the field.
7. If you have all your hours from elsewhere but need State Board Training
